The Gnowangerup CRC is a Not-for-profit community organisation that is able to provide Services to the Gnowangerup & surrounding communities by way of funding received by

The Department of Primary Industries & Regional Development.

The funding is limited and does not cover all of the costs for providing these vital services, so we here at the CRC are trying to come up with ways to receive additional financial support to continue providing these services.

The CRC has registered with CBH to be able to receive donations. Where a grower has delivered grain & sold that grain to a marketer, they can choose a Charitable Organisation to receive some of the proceeds of the grain.

By donating to the Gnowangerup CRC your money will go towards energising the sustainability of the Annual Gnowangerup Summer Fair. This event is the one major event that is held in our community & is heavily subsidised by the Gnowangerup CRC along with funders, Shire of Gnowangerup and Lotterywest.

Any additional donations will ensure the Fair continues to grow at a sustainable rate for all to enjoy.

#### How to donate to your Grass Roots

##### **LoadNet process**

1. Grower who has delivered the grain to CBH logs into their LoadNet account.
2. Click on **Transactions** tab & **Load Donation** tab.
3. Select Gnowangerup CRC from the list. **Grower Number 40434383.**
4. Enter the nomination details (acquirer, payment method, destination site) & select loads & complete nomination.

## Biggest Morning Tea

On the 22nd May 2019, the Gnowangerup Community Resource Centre hosted a Biggest Morning Tea in the conference room. It was lovely to see Gnowangerup come together to help support the amazing cause "Cancer Council".

The Community was very helpful and generous. We really appreciate all the amazing food donations that helped make the day possible. We would also like to thank all for volunteering your time and to everyone who attended.

The Community helped raise \$576.40. Every dollar raised through the Australia's Biggest Morning Tea helps fund Cancer Council's life-saving research, prevention, support programs and information.

We really hope we can make this a annual occurrence, as it is an amazing cause and every dollar help make a difference to those who are affected by Cancer.

*Morgan Smith heading to the last state round held at Miniup Park Albany 1982*

2019 is the year that Cranbrook Districts Motorcycle Club writes the history books moving from a “grass roots” club to a state level club, with a State Motocross junior and senior round two weeks following the annual South West Interclub Series. These two events are set to be great spectator viewing and will not disappoint with over 130 riders expected each day.

Track works have been underway preparing for the state round with the pedestrian bridge and camping ablution build constructions on schedule. Other

completed works are cementing the bike wash down area, secondary pit return lane for sponsor vehicles and start gates modified.

Sukey Hill has caught the motocross fraternity by surprise with many state level riders having not made the journey yet down from Perth to Cranbrook to check out the event prior. It is expected that many riders will use the South West Interclub as a practice for the state round.

South West Interclub on Sunday 23<sup>rd</sup> June showcases motocross action from Bunbury, Manjimup, Collie and Southern Capes (Busselton) Motorcycle Clubs. It is a jam packed day with classes for juniors to novice, clubman, ladies and veterans.

Double header WAMX State Round is on weekend 6-7<sup>th</sup> July with Juniors Saturday followed by seniors on Sunday. It has been awhile between drinks for state level motocross events in the Great Southern. 1982 was the last one hosted by Albany MCC at Miniup Park on Robinson Road, in which an 18 year old Jeff Leisk, (a famous international WA motocross rider) competed on a Yamaha bike. Local riders Paul Smithson (Kendenup) and Corben Wienert (Albany) are very excited to have an event in their backyard.

Full canteen menu, free spectator entry, new spectator bridge and close motocross action! Mark 23<sup>rd</sup> June and 6<sup>th</sup>-7<sup>th</sup> July in your diary to head up to Sukey Hill.

## Walpole's only bank withdraws from CRC

Saskia Adysti

Tuesday, 28 May 2019 1:12PM

**The only bank operating out of Walpole has announced it will close next month.**

Walpole Bendigo Bank, run by the local Community Resource Centre, will close on June 28 after its head office in Mt Barker decided it was too costly to maintain the service.

Walpole CRC general manager Cherie Smith said she had to let go

*The Walpole CENTRAL building that houses the Walpole Community Resource Centre today*

three staff members because of the closure.

"The time and cost factor for the Mt Barker branch to service its agency in Walpole are very costly," she said.

"All up, it's a three-hour journey for them to service the agency here. It costs a lot of money to buy and sell cash because you need security guards and armoured trucks," she said.

Ms Smith said many Walpole locals were over 60 and frequently used the town's bank.

"There's an awful lot of our population who don't use computers or internet banking," she said.

"They would be the one who are going to really feel this."

Ms Smith said unless there was a miracle in the next month, there would be no bank operating from Walpole.

"We want to explore every possible avenue and we're still in the process of talking with banks from Denmark and Albany to see if they are willing to help us and open a branch here," she said.

Walpole CRC is holding internet banking classes to help its community deal with the prospect of not having a local bank.

"As you can imagine, there are an awful lot of community groups here in town and they often deposit money here in the bank," Ms Smith said.

"I would say we've got around 100 businesses and families using the bank regularly.

"Unless they have a card for the organisation, then they wouldn't be able to do it in the post office.

"They have to go to the bank in Denmark. Change is also a big issue — local businesses would have to get their change from Denmark banks, too."

# Gnowangerup wins bid to become home to the world's largest replica Tractor

Earlier this year Gnowangerup bid against many other towns in WA to become home to the world's largest replica tractor. Last week, Trachmach formally informed Gnowangerup Shire CEO Mrs Shelley Pike, and the group who put the successful bid to Trachmach made up of Tim Beeck, Rod Richardson, Dick Garnett, Kirsty Buchanan and Kate O'Keeffe that they had won out all other contenders to be the town that would house the Trachmach Giant Tractor – the world's biggest replica Chamberlain tractor.

Trachmach was established in 1981 by Bob Lukins. The mission of Trachmach is to preserve the agricultural and industrial heritage of Western Australia. Trachmach has grown and now has branches throughout Western Australia, consisting of over 500 members, young and old. Trachmach President John Piavanini advertised the opportunity to all towns to be home of the world's largest Chamberlain Tractor through Farm Weekly, with the brief being that the tractor must be made as authentically as possible to replicate the original Chamberlain tractor which drove out of the factory in Welshpool in May 1949. The plan is for the tractor to be five times the size of a normal 40K Chamberlain, which will make it larger than Wagon's Big Ram standing 50 feet high!

The Committee hopes to build the tractor locally and are working with the Shire on the potential sites to permanently house the tractor. The arrival of the tractor in Gnowangerup offers the town and Shire enormous tourism opportunities. It will place Gnowangerup on Australia's 'List of Big Things' alongside other icons such as the Big Apple in Queensland, The Big Banana in Coffs Harbour and The Big Croc in the Northern Territory. There are currently over 60 'Big Things' listed on Australia's register, and we are excited to add one more to the list in Gnowangerup!

# Drivers urged to pay attention on roads

**Tim Edmunds**

Thursday, 6 June 2019 8:16AM

Great Southern District Superintendent Ian Clarke says too many drivers are not fully concentrating on the task of driving. Picture: Albany Advertiser, Laurie Benson Albany Advertiser

## **One in six drivers who died in a crash in the Great Southern last year was killed due to inattention.**

Road Safety Commission figures have revealed inattention was linked to almost 17 per cent of the 18 fatal crashes in the region as Statewide statistics exposed an even more concerning trend.

Last year's total of 29 inattention-related crashes represented a 70 per cent increase over the preceding five-year average of 17.

Great Southern police district Superintendent Ian Clarke said inattention could range from illegal mobile phone use to simply adjusting the radio or speaking with passengers.

"You may take your eyes off the road and put your wheels in the gravel and roll the car over, but if you're not wearing a seatbelt that's what makes it a fatal crash or a serious crash," he said.

"More often than not there is more than one contributing factor to a crash, even though inattention may have created the situation to start with.

"When you are driving a car or truck or whatever it is, your sole concentration needs to be on that act; it can't be doing anything else."

In the Great Southern in 2017, inattention was recognised as the cause of three of the 15 fatal crashes.

So far this year, nine people have already lost their lives on Great Southern roads.

Supt Clarke said illegal mobile phone use remained a big issue, while motorists not buckling their seatbelts had resulted in a number of fatal crashes in the region.

"It leads to a real sense of frustration with the emergency responders that are going to these crashes, and to them it's a senseless waste of life," he said.

"It's those sorts of things that are really impacting on the emergency responders because they can see by a simple action that person has lost their life."

Supt Clarke said a safe trip could go horribly wrong very quickly unless families established basic ground rules to avoid inattention.

"It's really important that we do have those conversations with our partners and our children and even our parents because that's the sort of stuff that will potentially save lives; just people being aware and having it at the forefront of their minds when they are driving," he said.

"I'm not suggesting people need to be frightened about going out driving, what I'm saying is that it's a good idea to talk about that, and if you're having those conversations early, particularly with your children, One would hope that is going to progress into their driving habits when they get older."

## Junior Hockey Carnival—Bunbury

Junior Hockey Carnival Bunbury 31/5-3/6 2019

This year's hockey carnival once again delivered. Nearly 30 years on, Bunbury - with its 14 grass fields and two turf areas - hosts arguably the biggest carnival in the Southern Hemisphere, over the WA Day long weekend.

In 2019, 138 teams (almost 1800 players) took part in 470 games, across 12 divisions, over three days. Teams came from as far as Esperance to attend. The South West Smarter Than Smoking Junior Championships allows age groups 5/6, 7/8, and 9/10 to enter championship divisions as well as carnival divisions.

Ongerup Hockey Association entered 5 teams this year over different divisions with

players from Borden, Ongerup and Gnowangerup representing. With lots of kids at boarding school coming back and representing Ongerup Hockey Association with others playing for the Lower Great Southern Hockey Association.

The Ongerup boys 7/8 division did an amazing job, winning their competition!

Players from Gnowangerup District High School also represented the Central Great Southern Hockey Association and played fantastically, placing 4<sup>th</sup>/10 in their pool. Well done kids! See you next year.

5/6 girls blue 3rd in their pool  
5/6 girls yellow 7th in their pool  
7/8 girls 5th out of 11 teams  
9/10 girls (LGSHA team) 8th

5/6 boys 4th in their pool  
7/8 boys.....GRAND FINAL WINNERS!!!!

## Farewell from Sergeant Tracey Keown

I just wanted to relay my sincerest thanks to the community of Gnowangerup for your friendship, support, help and encouragement during my 2 years as Officer in Charge. My final weeks were extremely hectic and some of the longest and toughest days were spent searching for a missing hiker on Bluff Knoll. Sadly the outcome was not what we had hoped for and saw the passing of Lorji BAUTISTA.

I did not get an opportunity to personally express my gratitude to many of you – I have many fond memories and

will cherish the time I spent serving in Gnowangerup. I'm now working in sunny Karratha trying to adjust to a very different life, in a much larger town with a very busy station.

I am especially grateful to S/C Garry Mason and 1/C Rory LAWTY for their loyalty, commitment, dedication and hard work. I know that they will continue working towards making Gnowangerup a safe place for everyone to live and grow.

The Commissioner of Police signed off on a rent agreement which will see Housing for Police in Gnowangerup align with other areas – this means there is an added incentive for staff to transfer into your town when others complete their tenure.

The new Officer in Charge - Sergeant MOULDEN and his wife will be soon arriving in Gnowangerup and I hope that you will make them feel welcome.

There are some more exciting times ahead for the community and I wish everyone well in their endeavours to build, develop and flourish.

I hope you all stay safe, look after yourselves and look after your family and friends. Don't be a victim of opportunistic crime and help Police to help you and your community.

Take care

Tracey KEOWN  
Sergeant 10172

## Horoscopes

Hopefully, it's now dawning on you how safe you are, financially and emotionally. , you're ready to take what feels like a risk in a creative situation, romantic relationship, or a matter relating to children or something dear to your heart. There is no wrong choice. listen to and follow your heart.

**AQUARIUS**

**PISCES**

As you enter the month, a new moon in Gemini on June 3 is drawing your attention to matters of the home and family. Confront the past honestly, let go of perceptions, and you'll see a more fertile reality and present. You have choices to make, but there's a creative way around an apparent obstacle.

Your ruler Mars is in Cancer in June, so this month you're focused on matters of home, family, and emotional and financial security.

**ARIES**

**GEMINI**

Happy birthday, Gemini! Take some time for self-reflection as you enter this month. On June 3, the annual new moon in your sign marks a whole new beginning on a personal level. Who are you? What do you want? Stay aligned with an inner truth.

**TAURUS**

Old roads are falling away as you enter June, opening new horizons. You're being asked to evolve your perspective and recognize your greater potential. You're worth a lot more than you give yourself credit for and have a lot to offer this world.

A new moon in your house of spirituality, subconscious, and dreams early in the month is drawing you inward to search your soul. Over the next two weeks, meditate, retreat, relax, and reflect. You don't have all the answers, but keep asking the questions, and pay attention as the answers reveal themselves in your quiet moments.

**CANCER**

**LEO**

As you enter June, a professional situation is stabilizing as it changes. And the new moon in your house of friends, aspirations, and the fulfillment of wishes on June 3 is opening the playing field. Your ambitions are evolving as you connect with others, showing you a greater world. When in doubt, take your time exploring situations.

As you enter June, keep a long-term goal in mind, perhaps one of greater financial freedom and security. There's real potential on the horizon, and you're starting a whole new professional cycle as the Gemini new moon aligns on June 3.

**VIRGO**

**LIBRA**

As you enter the month, a financial situation or personal commitment is evolving and stabilizing. On June 3, a new moon in Gemini, followed by the entry of Venus into Gemini on the eighth, suggests you're being freed from something that has had you in its grip.

As the month begins, you're making solid progress in your relationships, losing darker fears and perceptions to recognize the very real support in your life. The new moon on June 3 is drawing you further into a financial, sexual, or personal commitment. You're not powerless. Become aware of your patterns, values, and desires and you can make conscious choices.

**SCORPIO**

**SAGITTARIUS**

hopefully you can see there's support in your world and not any lack as you may have feared. The Gemini new moon on June 3, followed by the entry of Venus into Gemini on the eighth, marks a new beginning for relationships, allowing you to relate on a more equal level. There's real love and tangible potential in your connections. Be clear on your values and bottom line, then you needn't fear going over the edge.

As you enter the month, you're realizing the need to have more fun, relax, and enjoy life more. When the new moon in Gemini aligns on June 3, you can make choices that help you create a life that works for you as much as you work for it. Prioritize self-care and your health – mental, emotional, and physical. Make time for work and play.
