Jackson and Buckley Punch after their team won the Sub-Junior Grand final at Katanning Junior Basketball Association. Buckley also won Runner up Fairest and Best for the season and MVP for the Grand final.

After attending the recent 3v3 basketball comp held at the Complex with Great Southern Basketball Development officer Luke McGuire, Buckley was asked to join the U/14 Great Southern Development Program for 2019.

This is a very exciting opportunity and is a brand-new program for the Great Southern. The programs create a direct pathway to Southern Cross teams, State Performance Program and

State Teams.

The program aims to further develop basketball athletes – physical conditioning, flexibility, professionalism (stretching and nutrition). The program will have a sports trainer/physiotherapist speak to and teach the athletes how to take care of their body and the importance of stretching before and after sessions. The program will also have a nutritionist speak with the athletes about the correct way to eat

before and after sessions to perform at the peak of their ability.

'If our lives are centred in the Spirit, let us be guided by the Spirit.' [Galatians 5:25](#) PHPS

Paul wrote: 'The fruit of the Spirit [the result of His presence within us] is love [unselfish concern for others], joy, [inner] peace, patience [not the ability to wait, but how we act while waiting], kindness, goodness, faithfulness, gentleness, self-control.' ([Galatians 5:22–23](#) AMP) Let's think about two of these Christ-like qualities:

(1) *Unselfish concern for others.* You stop seeing people as objects that need to be straightened out, avoided or used for your own benefit. When Jesus looked at people, 'He was moved with compassion.' ([Matthew 9:36 KJV](#)) When that happens, two wonderful things occur. First, you conquer selfishness and become concerned with somebody other than yourself. Second, you develop a sense of gratitude for blessings you may have taken for granted. In other words, compassion expands your field of vision beyond your immediate friends to others. (2) *How we act while waiting.* When you curb your impatience, you stop seeing people who have gentle, loving spirits as 'wimps' who never achieve much. Paul wrote, 'We behaved gently when we were among you.' ([1 Thesalonians 2:7](#) AMP) And Paul was no wimp! Sometimes the reason we're so driven is we fear that we might stop getting ahead and fall behind in the race. That kind of fearful, frantic thinking drains the creativity out of your life—not to mention the joy. And any success you enjoy is in spite of your stress, not because of it. Look at Jesus. He wasn't in a hurry, He seldom raised His voice, He took time for children, He loved people and lifted them. He gave us an example of the kind of life God has invited all of us to live.

## Things to Gnow!

The Gnowangerup CRC is a Not-for-profit community organisation that is able to provide Services to the Gnowangerup & surrounding communities by way of funding received by

The Department of Primary Industries & Regional Development.

The funding is limited and does not cover all of the costs for providing these vital services, so we here at the CRC are trying to come up with ways to receive additional financial support to continue providing these services.

The CRC has registered with CBH to be able to receive donations. Where a grower has delivered grain & sold that grain to a marketer, they can choose a Charitable Organisation to receive some of the proceeds of the grain.

By donating to the Gnowangerup CRC your money will go towards energising the sustainability of the Annual Gnowangerup Summer Fair. This event is the one major event that is held in our community & is heavily subsidised by the Gnowangerup CRC along with funders, Shire of Gnowangerup and Lotterywest.

Any additional donations will ensure the Fair continues to grow at a sustainable rate for all to enjoy.

### How to donate to your Grass Roots

#### LoadNet process

1. Grower who has delivered the grain to CBH logs into their LoadNet account.
2. Click on **Transactions** tab & **Load Donation** tab.
3. Select Gnowangerup CRC from the list. **Grower Number 40434383**.
4. Enter the nomination details (acquirer, payment method, destination site) & select loads & complete nomination.

## Sharon Minter and her journey to becoming a netball Umpire

Being an Umpire in any sport is tough. We seem to hear so much lately of verbal and sometimes physical abuse of umpires which turns so many people off from taking up the challenge. And who would?

Sharon Minter has for as long as I've known her always been a netball player and picking up a whistle was never on her bucket list. Even though she has 4 beautiful daughters that play netball Sharon has managed to get through their netball life without ever having to pick up a whistle. This all changed last year when circumstances changed within the club and so began her journey into becoming a netball umpire.

First up Netball Australia realized umpires were an important part of the game and so developed a program called the Green Shirt Umpire Program. This program was developed to help the learner umpire to achieve a better understanding and application of the rules, establish their confidence and with coaching support to continue with umpiring to pass the first level of umpiring being a C. If the umpire is wearing a green shirt it means they are a beginner umpire and are doing their best they can while on the court. Hence the Green Shirt Program which was brought into the ONA last year. Umpires are extremely important and every year it seems to get harder and harder for each club to put umpires out there for the 3 divisions that we have in the ONA. Being A Grade, B Grade and Juniors. Remember NO umpire no game. It was passed by the ONA that each club would have at least 2 umpires to be a part of this Green Shirt Program so there would be a succession of umpires available.

Now this is where I come into Sharon's journey. Hello my name is Donna Dowdell I'm from Jerramungup and I am a netball umpire and have been around forever and a day. I have been involved with netball as ONA Umpire Development Officer for 11 years, the Great Southern Netball Regions Development Officer for 9 years, Also umpired on the WA Netball State Umpire League and after many many trips to Perth each week for 2 years achieved my National A in 2014 at the age of 47. One of the oldest umpires to achieve this and also being a grandparent and stand in parent as well. This had never been done before within the Netball family. I am used as an example that age is just a number and if you have a goal and a dream you can achieve anything if you really want it bad enough. From all of this and all the upskilling I have received over the years and the passion I have for netball I now I concentrate on upskilling and coaching netball umpires in the ONA with Sharon being one of them.

Now as we all know Sharon like I said in the introductory has always been a player and a beautiful player at that. She has skills like no other and a calmness when she plays. But she seems to have gotten away all these years with never having to umpire until last year. Each club had to have 2 for the Green Shirt Program as was passed at an ONA meeting. Gnowangerup didn't have 2. Sharon being President and not being able to convince anyone else to be a part of it put up her hand and said yes. And so the first step was taken to becoming a netball umpire. This umpiring thing was so far out of her comfort zone it wasn't funny. But because of her calmness you would have never know. Sharon put on a white skirt and her lovely green shirt and got out there and did the best she could with the playing knowledge that she had. How do I know this because I was her coach. Her voice was soft her whistle wasn't loud she didn't cut the corner her signals weren't there but because of her being an amazing player she understood so much more and made some calls that even regular umpires would not have seen. I knew from then Sharon had something a bit special. So every chance I had I made sure I could get to where Gnowangerup were playing and to coach Sharon. Even though Sharon made some great calls, for her to step up and be a very assertive umpire her voice had to lift, her whistle had to be louder, she needed not to run as much, or run harder, she needed to be an umpire and not a player being an umpire. She needed to read the rule book understand all the tricky situations. All the procedures and protocols that Netball umpires need to put out there to make the game the professional game it is now. Sharon did this and more. Every Saturday she would umpire B grade, play A grade and then play hockey. Fitness is a huge part of being a netball umpire. Sharon doesn't sweat when she's playing but she sweats when she's umpiring. As Sharon said to me last year this umpiring thing is harder than playing a game. Yes it is. Each game Sharon grew as an umpire. Questions she would ask me showed that her mind set was changing from a player looking at the situation to that of a thinking umpire. Her voice got louder her whistle was stronger, her positioning improved so she could see so much more. Her confidence grew but she still kept the beautiful calmness about her and didn't show the players that she was still shaking in her boots most of the time. Players responded to her and respected the decisions that she made. This year we started the year as we finished last year. Travelling to Gnowangerup was and when Sharon was umpiring B grade. So as of Saturday the 11th May 2019 Sharon now doesn't have to wear a green shirt as she was tested and was awarded her National C Umpire Badge. Sharon now officially wears white. I think there was a tear in her eye when she was told.

Before the start of the ONA season I ran an ONA conference day. Sharon was there of course. They all had 2 questions to fill out at the beginning of the day. One of them being "Do you have a Goal you want to achieve", it was their private thoughts not mine. But if Sharon wanted to achieve her National C then she made that happen. So from a player who never before put a whistle in her mouth to now attaining her National C and also now has the confidence to umpire the higher division in the ONA (who would have thought) shows with dedication, determination, commitment and getting the nerves under control anything can be achieved. And age is just a number.

Congratulations Sharon you truly inspire a lot of people and I'm so glad I got to be a little part of your umpiring journey and look forward to see where it takes you.

Donna
