# Gnowangerup Seniors Cabaret

In celebration of WA Seniors Week 2016, the Gnowangerup Seniors Cabaret was held last Wednesday the 9th November in the Gnowangerup Town Hall. There were 50 attendees on the day and guests travelled from as far as Lake Grace and Kulin to attend. It was a great opportunity to meet new friends or catch up with old ones. The Hall was decorated in a vintage theme with lace, fresh flowers and bunting galore. Frank & Eddie, a music and comedy duo from Albany, provided the entertainment and performed 50s/60s rock & roll music as well as plenty of jokes and comedy skits. Frank & Eddie succeeded in having everybody laughing, singing along and tapping their feet throughout the afternoon. The music flowed from the Town Hall and could be heard down Yougenup Road. The duo proved so popular that a few people asked for their contact details for future bookings.

Guests enjoyed a beautiful spring luncheon which consisted of potato salads, coleslaws, garden salads, fresh bread and cold meat platters. Dessert followed later with fresh fruit salad and pavlovas nests. Beth Trezona catered for the event and made the salads/fruit salads and the meat platters were made by Sadlers Butchers. The Gnowangerup CRC Committee and generous community members made baked goods for afternoon tea and there was an array of cakes, slices and biscuits for guests to enjoy. Thank you to all who donated baked goods.

Door prizes were drawn and the lucky winners received vouchers for coffee and cake from the House Paddock or assorted sweets. As the saying goes, time flies when you are having fun, and the afternoon finished all too quickly just in time for people from Lake Grace and Kulin to get on their way home. Thank you to everybody who contributed to this event in one way or another; it was a great afternoon.

## **POOL MAKES A SPLASH!**

### **Official Opening of the new Gnowangerup Community Swimming Pool**

Official Opening of the new Gnowangerup Community Swimming Pool will go down in history as a milestone event for the Shire of Gnowangerup. The Opening took place on Saturday 5<sup>th</sup> November 2016 and was attended by close to 400 people. The event showcased the new \$2.6 million purpose built, co-located facility and its new fun features including modern seating and picnic facilities, fully landscaped surrounds, beach entry, heating, solar panels, refurbished change rooms, water features, shaded areas, purple BBQ and custom made bridge.

The weather could not have been better with a perfect 34 degree day and no wind. Amongst the crowds, dignitaries also enjoyed the sun including the Honorable Tuck Waldron, Ross Thornton, Chair of the Great Southern Development Commission Board, Darren Beazley, CEO of Swimming WA, Robbie Minter Representative of the local Noongar community and Wirrapanda Foundation, Wayne Pech, Chair of the Gnowangerup Sporting Complex, Paul De Young from McCorkell Construction and Gnowangerup Shire Councillors. Special guests also joined the festivities included a number of representatives from surrounding Shires, Chris Thompson from Department of Sport and Recreation, Tony Head from the Leisure and Aquatic Industry Association, Kathryn Clare from Triathlon WA and Merv Alymore and his wife Di whose father donated the land for the previous town swimming pool located at Alymore Springs.

The Pool was officially opened by Tuck Waldron, Keith House, Shire President and Ross Thornton. The Shire President acknowledged the support of the multiple funders which included The Department of Sport and Recreation, The Department of Regional Development, The Great Southern Development Commission, Lotterywest and The Gnowangerup Sporting Complex. President House also commended the suppliers, community supporters and Shire staff for their hard work in seeing the project from inception to completion.

Once the official proceedings were wrapped up, Peter Rundle and Keith House had the first swim... a race... commentated by Tuck Waldron.

The rest of the day was jam packed with exciting features including sausage sizzle provided by volunteers from Yongergnow Mallefowl Centre, bouncy castles, bungee run giant Jenga and Connect 4 , massive dry slide, a live radio broadcast on Hot FM and a triathlon.

The Shire would like to thank all staff and volunteers for making the day a fantastic success!

### ADOPTION OF LOCAL LAWS

The Council of the Shire of Gnowangerup resolved on 27 July 2016 to adopt the following local laws:

- Animals, Environment and Nuisance Local Law 2016;
- Bush Fire Brigades Local Law 2016;
- Dogs Local Law 2016;
- Health Local Law 2016;
- Local Government Property Local Law 2016;
- Standing Orders Local Law 2016.

The purpose and effect of the local laws is as follows:

#### **Animals, Environment and Nuisance Local Law 2016**

Purpose:

To provide for the regulation, control and management of animals and the prevention of environmental damage and nuisances within the District.

Effect:

To establish the requirements with which any person keeping animals, or undertaking activities that have the potential to impact the environment or create nuisance must comply.

#### **Bush Fire Brigades Local Law 2016**

Purpose:

To make provisions about the organisation, establishment, maintenance and equipment of bush fire brigades.

Effect:

To align the local law with changes in law and operational practice.

#### **Dogs Local Law 2016**

Purpose:

To make provisions about the impounding of dogs, to control the number of dogs that can be kept on premises and the manner of keeping those dogs and to prescribe areas in which dogs are prohibited and dog exercise areas.

Effect:

To extend the controls over dogs which exist under the Dog Act 1976.

#### **Health Local Law 2016**

Purpose:

To provide a statutory means to effectively control issues that have the ability to adversely impact on the health and well being of the community.

Effect:

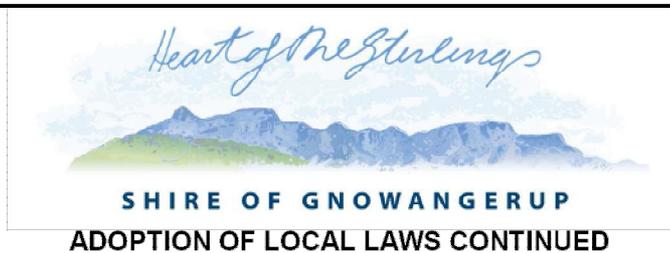

To allow health related issues to be sufficiently controlled so as to provide an acceptable standard for the maintenance of public health in the community.

#### **Local Government Property Local Law 2016**

Purpose:

To regulate the care, control and management of all property of the local government except thoroughfares.

Effect:

## ADOPTION OF LOCAL LAWS CONTINUED

To control the use of local government property. Some activities are permitted only under a permit or under a determination and some activities are restricted or prohibited. Offences are created for inappropriate behaviour in or on local government property.

### **Standing Orders Local Law 2016**

Purpose:

Is to provide the rules for the conduct of meetings of the Council, Committees and electors.

Effect:

To result in:

- (a) the orderly and effective conduct of meetings;
- (b) greater community understanding of the meeting process;
- (c) better decision making by the Shire; and
- (d) better outcomes from decisions made.

A copy of the adopted local laws may be inspected at or obtained from the Shire of Gnowangerup, 28 Yougenup Road, Gnowangerup 6335 between the hours of 9.00am and 4.30pm.

With the exception of the Health Local Law 2016 which, were gazetted in the *Government Gazette* on 15 November 2016, all local laws will come into effect on 29 November 2016. The Health Local Law 2016 will come into effect on the 15 November 2016.

## **Waldron welcomes new Gnowangerup pool, and \$400,000 in pool funding**

Member for Wagin Terry Waldron MLA was in Gnowangerup yesterday for the anticipated official opening of the redeveloped Gnowangerup swimming pool.

Mr Waldron said it was a “glorious sunny day”, for the opening of the redeveloped local pool.

“The Gnowangerup pool replacement project received funding from several State Government sources, including the Department of Sport and Recreation, *Royalties for Regions* via the Great Southern Development Commission and the Local Government Fund, and Lotterywest,” Mr Waldron said.

“I congratulate the Shire, local Gnowangerup sporting complex committee and the community for this project. This is an exceptional new pool that sets a benchmark for regional communities, and is an important investment into the Gnowangerup community and surrounds. It will be enjoyed by locals and visitors for many years to come.”

Thirteen community pools in the Wagin electorate will also benefit from funding of \$3 million in pool and water playground funding, which was announced late last week.

The latest Community Pool Revitalisation Program grants worth \$416,000 were allocated to –

- Darkan Swimming Pool
- Dumbleyung Swimming Pool
- Gnowangerup Community Swimming Pool
- Jerramungup Swimming Pool
- Katanning Aquatic Centre
- Kevin O'Halloran Memorial Swimming Pool (Kojonup)
- Kulin Aquatic Centre
- Lake Grace Swimming Pool
- Mount Barker Swimming Pool
- Narrogin Regional Leisure Centre
- Wagin Memorial Swimming Pool
- Wickepin Aquatic Centre
- Williams Swimming Pool

“Thirteen community pools in the Wagin electorate will each benefit from a \$32,000 grant designed to assist them towards pool upgrades, maintenance, equipment, staff development or a reduction of pool entry costs,” Mr Waldron said.

Mr Waldron said the local pools were among 95 state-wide to benefit in time for summer, thanks to an injection of funding through the program, which was made possible by the State Government’s *Royalties for Regions* program.

“Pools are great for exercise and playing sport, though it’s actually an important way for regional residents to connect socially with each other,” he said.

Nationals WA candidate for WA Peter Rundle who was also in Gnowangerup for the pool opening and swam an honorary first lap, said enhancing community pool facilities and services supported regional communities in various ways.

“In regional areas, community pools allow people of all ages to keep active as well as staying connected to their local community and it’s thanks to *Royalties for Regions* that those living and working in regional WA are enjoying improved infrastructure and services,” Mr Rundle said.

## ***How Business is Getting Done***

Hi Everyone,

Since we last caught up, there has been an increase in thefts in our district. Most have occurred during the night and have predominantly been stealing from unlocked motor vehicles. The thefts I have been made aware of occurred on Bell Street, Yougenup Road and McDonald Street, Gnowangerup and also at Bluff Knoll carpark.

There is a misconception that people who steal from cars normally smash a window to gain access to the vehicle and then take property from within. At tourist locations such as Bluff Knoll and The Gap in Albany, this certainly is the way they go about it, as they are out to grab visible property within the vehicle, such as bags laptops/tablets and cameras. In town though, it is a completely different story. Most people who steal don't want to be caught - it is human nature. The sound of a car window being smashed in someone's driveway may alert the owners of the vehicle that someone is stealing their property. Thieves will normally just try the car door - if it is locked they will move onto the next vehicle.

The same info is pertinent for people who own utes - if you value your stuff, don't leave it on the back of the ute overnight. If you have a lockable, secured tool box that is fine; it will be there when you go to your vehicle next. Items such as swags, fuel cans, air compressors, grease guns, tools and trail bikes are things of value to thieves, They are all quite difficult to identify and can easily be exchanged for drugs. We all work hard for what we own, don't give a drug user his next hit of Meth.

Below I have listed a few simple tips on how you minimise you being a victim of property crime. I look forward to seeing you all around town. Say hello, I am always open for a chat.

Regards,

### **NEIGHBOURHOOD WATCH—THIEVES PICK EASY TARGETS**

**Make It Tougher For Crooks. You can help frontline police make it tougher for crooks by being aware and making small changes to how you look after your valuables. Tips for car users:**

- 1) Remove all valuables from your car, do not leave any belongings or coins where they can be seen.
- 2) Remove any detachable items, such as GPS or your car stereo.
- 3) Avoid parking in deserted car parks or far away from other vehicles.
- 4) Try to park your car in a well-lit area.
- 5) Ensure your vehicle is always locked.
- 6) Close all of your windows – even when you're at the road house.
- 7) At home, keep your car keys in a safe place out of sight and away from windows and doors where they could easily be taken.
- 8) If you have a garage, use it. When your car is out of sight it is less likely to be a target for thieves.
- 9) Keep doors and windows locked at all times.
- 10) Keep valuable items such as computers, laptops, tablets, game consoles, stereos and mobile phones out of sight.

## Improved access to aged care in Katanning, Kojonup and surrounds

A disability transport bus, aged housing refurbishments and the upskilling of residential care staff are among local aged care projects to soon benefit from *Royalties for Regions* funding.

Three *Building Capacity to Support Ageing in the Community* projects, from a total of 12, will assist residents in the local towns of Katanning and Kojonup and their surrounds, including -

- Juniper Disability Accessible Transport, Katanning - funding of \$150,000 will contribute towards the purchase of a disability accessible transport bus to enable safe transport of residents to appointments and access to community activities.
- Kojonup Health Precinct - Aged Housing Adaptability Refurbishment, Age-Appropriate Accommodation and Springhaven Frail Aged Hostel Renovations and Alterations - funding of \$1.536 million will contribute towards adapting existing units, improve amenities of the 22 bed Residential Care Facility and the construction of age-appropriate accommodation to improve the quality of life of elderly residents.
- Workforce Investment, Katanning and Kojonup - funding of \$11,200 will contribute towards the training and upskilling of residential care staff to enhance the delivery of care to end of life and dementia care patients.

The local organisations have been awarded funding to assist older people to remain independent, involved and contributing members in their communities.

The grants are part of a \$13.67 million investment in regional aged care through the \$500 million Southern Inland Health Initiative (SIHI), made possible by *Royalties for Regions*.

The Nationals' Candidate for Roe Peter Rundle said collaboration and investment in age-appropriate health services was fundamental to the ongoing growth of the region.

"Aged care reforms focusing on supporting age-friendly communities and age-appropriate accommodation where people feel supported, safe and secure are transforming the way health and aged care services are delivered in regional WA," Mr Rundle said.

"This approach benefits the person, their family and friends and the community-at-large that is richer for having older people participating within the community."

Member for the Agricultural Region Martin Aldridge MLC, who represents the Regional Development Minister on the SIHI Governance Committee, said eligible organisations were invited to apply for one-off grants as part of a competitive process.

"The successful applicants were able to demonstrate that they could enhance facilities and services that would help regional residents to remain in their community as they aged," Mr Aldridge said.

"It is essential we allow older people the choice to live in their home towns."

Member for Wagin Terry Waldron said: "It's great to see *Royalties for Regions* continue to invest in projects that allow ageing community members to stay in their own communities for as long as possible."

A fourth successful project under the scheme in the electorate is for a grant of \$3.019 million towards the Karinya Well Aged Upgrade and Extension, in Narrogin.

Implementation of the projects is about to commence, with most to be completed by the end of 2017. For more information, visit <http://www.health.wa.gov.au/southerninland>

## Eleven Wagin electorate sporting organisations share in \$111,000

The State Government has assisted 11 Wagin electorate sporting associations to develop sport in the region, through this year's funding round of the Regional Organisational Sustainability Program (R-OSP).

Member for Wagin Terry Waldron MLA has welcomed news the State Government was providing \$622,500 to 54 regional sporting associations around Western Australia, including \$111,000 to assist communities in the Wagin electorate.

Wagin electorate communities will benefit from funding for the following local groups –

- Great Southern Basketball Development - \$12,000
- Wheatbelt RFDC (Regional Football Development Council) - \$10,000
- Great Southern Regional Cricket Board - \$15,000
- Pony Club Association of WA Great Southern Zone - \$5000
- Lower Great Southern Hockey Association - \$8000
- Great Southern RFDC (Regional Football Development Council) - \$15,000
- Upper Great Southern Hockey Association - \$10,000
- Great Southern Netball Region - \$15,000
- Wheatbelt Netball Region - \$11,000
- Great Southern Tennis Association - \$5000
- Lower Great Southern Tennis Association - \$5000

"This is great news for local sporting associations," Mr Waldron said.

"Funding for this financial year will help these groups provide sport and active recreation opportunities to residents throughout the Wagin electorate."

Nationals WA candidate for Roe Peter Rundle said sport was an important part of life in regional WA.

"This funding provides another way to create active communities, enabling people to come together over a common interest or a sport they are passionate about," Mr Rundle said.

Sport has always played an important role in Mr Waldron and Mr Rundle's lives.

Administered by the Department of Sport and Recreation, R-OSP funding assists organisations in the development of sport at a regional level, including establishing governance systems and providing safe access to competition opportunities to regional participants whilst also assisting in supporting coaches, officials and volunteers within regional sport.

## MINI GINGERBREAD MEN

Recipe from 'Home-Baked Gifts With Love' which is available in the Gnowangerup Library

### Ingredients:

- 3 cups plain flour; plus extra for dusting
- 1 tsp baking soda
- 1 tsp ground ginger
- 1 stick/115 grams unsalted butter; plus extra for greasing
- 3/4 cup packed/175grams good-quality light brown sugar
- 4 tbsp golden syrup
- 1 egg, beaten
- Currants and ribbons to decorate

### Method:

1. Preheat oven to 190 degrees. Lightly grease three large baking sheets. Put flour, baking soda and ginger into a bowl, then rub in the butter until the mixture resembles breadcrumbs.
2. Stir in the sugar, and then add the syrup and egg to the mixture. Mix to form a dough, kneading lightly with your hands, if necessary.
3. Lightly flour your work surface and divide the dough in half. Roll our one half to a thickness of 5mm. Using a mini gingerbread man cutter, cut out the shapes and place them on the baking sheets. Decorate them by using currants for eyes and buttons. Repeat, using the other half of the dough.
4. Bake in the oven for 10-12 minutes, or until a dark golden colour. Leave the gingerbread men to cool slightly before transferring them to a wire rack to cool completely. Tie ribbon bows around the gingerbread to decorate. Store in an airtight container and eat within one week.
